

PRESS RELEASE - FOR IMMEDIATE RELEASE

Hydranautics – A Nitto Group Company Wins Vendor of the Year Award from Southeast Desalting Association (SEDA)

Oceanside, CA: - Hydranautics has been recognized by The Southeast Desalting Association for its regular and continuous support to the organization. Contributing to hands on training, exhibitions, financial support and presence at all conferences, workshops, and being available at plant locations hosting plant tours. We have been recognized for our unquestionable support of the organization and commitment to improving Water Quality in the Southeast Region.

About SEDA: SEDA is dedicated to the improvement of the quality of water supplies through membrane desalting and filtration, water reuse, and other water sciences. The Association includes members concerned with environmental regulations and legislation, process design, equipment manufacture, plant operations and maintenance, and research and development.

ABOUT HYDRANAUTICS

Hydranautics is a part of the Nitto Group and one of the global leaders in the field of Integrated Membrane Solutions. Hydranautics offers complete membrane solutions like Reverse Osmosis, Nanofiltration, Ultrafiltration, and Microfiltration for Water, Wastewater and Process treatment and applications. Hydranautics membrane based solutions are currently in use on seven continents throughout the world for diverse applications such as Seawater Desalination, Industrial High -Purity Water, Surface Water Treatment, Waste Water Treatment, Specialty Process Applications etc. Our Global Membrane Division is headquartered in Oceanside, CA, USA and we have 3 state-of-the-art manufacturing sites located in Oceanside - USA, Shiga - Japan and Shanghai – China.
