May 12, 2016

- GOVERNING TERMS.** All Purchase Orders received by Hydranautics from Purchaser are deemed to be a complete and unconditional acceptance of Hydranautics' prior offer to sell Products to Purchaser, based solely upon the provisions of said offer, as well as these Hydranautics Terms and Conditions of Sale, which are incorporated by reference into said offer. Hydranautics' subsequent Order Acknowledgement of Purchaser's acceptance of Hydranautics' prior offer further incorporates these Hydranautics Terms and Conditions of Sale by reference. As such, both the offer to sell Products to Purchaser, as well as the Order Acknowledgement, are governed by these Hydranautics Terms and Conditions of Sale. Any acceptance of the offer by Purchaser is expressly conditioned upon Purchaser's unfettered acceptance of, and agreement to be bound by, these Hydranautics Terms and Conditions of Sale. HYDRANAUTICS LIMITS THE ACCEPTANCE OF ITS OFFER TO THE TERMS OF THE OFFER. AS SUCH, PURCHASER IS HEREBY NOTIFIED THAT HYDRANAUTICS OBJECTS TO, AND MOREOVER REJECTS, ANY ADDITIONAL, DIFFERENT, OR CONTRADICTIONARY TERMS OR CONDITIONS CONTAINED IN ANY ACCEPTANCE BY PURCHASER, BE IT IN THE FORM OF A PURCHASE ORDER, CONTRACT, OR IN ANY OTHER FORM.

Any and all prior or contemporaneous negotiations, agreements, understandings, representations, promises and statements, whether oral or written, are merged and integrated into, and superseded by, these Hydranautics Terms and Conditions.

Title to and risk of loss of the Products purchased shall pass to Purchaser per the applicable Incoterms 2010 as detailed on the Order Acknowledgement. If complete payment by Purchaser is not received by Hydranautics when due, Purchaser shall pay interest on any overdue amount at the rate of one percent (1%) per month, based upon the value of the Products purchased, from the due date until payment is made, without prejudice to any other rights or remedies of Hydranautics.

Should an inspection of the Products by Hydranautics indicate, in the sole and absolute discretion of Hydranautics, defects in material or workmanship, Hydranautics' only obligation shall be, at its unilateral option, to either repair or replace the Products.

THE FOREGOING WARRANTY IS EXCLUSIVE AND IS IN LIEU OF ALL OTHER EXPRESS, IMPLIED, OR STATUTORY WARRANTIES. 8. **TERMINATION.** Any obligation based upon or created by these Hydranautics Terms and Conditions of Sale may be terminated under the following conditions: (a) Hydranautics may terminate any obligation based upon or created by these Hydranautics Terms and Conditions if Purchaser should become unable to meet its obligations, or if any proceeding under bankruptcy or insolvency laws is brought by or against Purchaser, or if a receiver for Purchaser is appointed or applied for, or if an assignment for the benefit of creditors is made by Purchaser, or if Purchaser seeks to delay shipment beyond the date specified in the Order Acknowledgment as set forth in Article 5, Shipment; or (b) If Purchaser requests Hydranautics to cease work or production once it has commenced, or Purchaser cancels an order or any part thereof. The party that is prevented from carrying out its obligations hereunder as a result of an event of Force Majeure shall give notice to the other party of the event of Force Majeure upon it being foreseen by, or becoming known to, the affected party. If an event of Force Majeure occurs and its effect continues for a period of sixty (60) days, either party may give written notice of termination to the other party. In the event that such termination is based upon Purchaser's being prevented by an event of Force Majeure from carrying out its obligations hereunder, Purchaser shall nevertheless remain liable to Hydranautics for the cost of any partial or total Products produced by Hydranautics for Purchaser, prior to said termination.
10. **AMENDMENT AND WAIVER.** The provisions of these Hydranautics Terms and Conditions of Sale may be amended, modified or eliminated, or the observance or performance of any term, covenant or provision herein may be omitted or waived (either generally or in a particular instance, and either prospectively or retroactively) only by a writing signed by Hydranautics and Purchaser. The waiver by Hydranautics of any breach by Purchaser of any term or provision of these Hydranautics Terms and Conditions of Sale shall not be construed as a waiver of any subsequent breach, and shall not in any way affect, limit, or waive Hydranautics' right thereafter to enforce and compel strict compliance with every term, condition, and specification hereof.
11. **PERMITS, ORDINANCES AND CODE COMPLIANCE.** Purchaser has full responsibility for obtaining any licenses, permits, inspections, and the like required with respect to installation and use of the Products herein described.
12. **GOVERNING LAW AND JURISDICTION.** Any obligation based upon these Hydranautics Terms and Conditions of Sale has been entered into, and shall be construed, enforced, and governed in accordance with the laws of the State of California, United States of America; provided that if any California law shall dictate that the laws of another jurisdiction be applied in any proceeding, such California law shall be superseded by this paragraph, and the remaining laws of California shall nevertheless be applied in such proceeding. Venue and jurisdiction for any proceedings arising out of any obligation based upon these Hydranautics Terms and Conditions of Sale shall lay exclusively in the state and federal courts of San Diego, California, United States of America.
13. **PARTIAL INVALIDITY.** If any term, provision, covenant, or condition of these Hydranautics Terms and Conditions of Sale is held by a court or agency of competent jurisdiction to be indefinite, invalid, void, or otherwise unenforceable, the rest of these Hydranautics Terms and Conditions of Sale shall remain in full force and effect and shall in no way be affected, impaired, or invalidated.
14. **PUBLICITY.** All notices to third parties and any and all other publicity concerning the transactions contemplated in these Hydranautics Terms and Conditions of Sale will be jointly planned and coordinated by and between Purchaser and Hydranautics. No party will act unilaterally in this regard, without the prior, written approval of the other; however, this approval will not be unreasonably withheld.
15. **ASSIGNMENT AND DELEGATION.** Neither these Hydranautics Terms and Conditions of Sale nor any other benefits or obligations to accrue or arise hereunder shall be assigned, delegated, or transferred by Purchaser, either in whole or in part, without the express written consent of Hydranautics, and any purported assignment, delegation, or transfer in violation hereof shall be void. Nothing herein contained, however, shall prevent Hydranautics from assigning these Hydranautics Terms and Conditions of Sale to any wholly or partially owned subsidiary of Hydranautics or to a person, firm or corporation acquiring all or substantially all of the assets of Hydranautics.
16. **RELATIONSHIP OF PARTIES.** Hydranautics and the Purchaser are independent parties. 17. **ATTORNEY FEES.** If either party commences an action against the other to interpret or enforce any obligation based upon these Hydranautics Terms and Conditions of Sale, or as a result of a breach by the other party of any obligation based upon these Hydranautics Terms and Conditions of Sale, the party prevailing in such matter shall be entitled to recover from the non-prevailing party reasonable attorneys' fees, costs, and expenses, incurred by the prevailing party in connection with said action.
18. **COMPLIANCE WITH LAW.** Purchaser shall comply with all laws and regulations governing, or otherwise applicable to, the import, sale, or marketing of the Products, including, without limitation, all laws and regulations governing competition, restrictive practices, and sales of the Products. Purchaser agrees to allow Hydranautics, or an independent accountant of Hydranautics' choosing, to audit Purchaser's books and records annually to ensure compliance with this Paragraph. Any such breach of the foregoing obligations shall constitute a material breach of these Hydranautics Terms and Conditions of Sale, and shall be grounds upon which Hydranautics may terminate the Purchase Order. It is understood that the terms of these Hydranautics Terms and Conditions of Sale are expressly made contingent upon full compliance with all applicable laws and regulations of the United States. In particular, the exportation or re-exportation of Products or services to government entities or individuals, in countries subject to United States sanctions that are administered and enforced by, amongst others, the Office of Foreign Assets Control of the United States Treasury and the Bureau of Export Administration of the United States Department of Commerce, may be prohibited. Any provisions of these Hydranautics Terms and Conditions of Sale which would otherwise violate these laws and regulations are deemed to be null and void and of no effect. Any actions by Hydranautics, its subsidiaries or affiliates, undertaken to comply with applicable United States laws or regulations, shall not be grounds for a breach of contract action against same.
20. **INDEMNIFICATION.** To the fullest extent permitted by applicable law, Purchaser will indemnify, release, defend and hold harmless Hydranautics, its subsidiaries, affiliates, licensees and assigns, and their respective officers, directors, agents, representatives, subcontractors and employees, whether acting in the course of their employment or otherwise (each, an "Indemnified Party"), from all claims, demands, losses, damages, liabilities, judgments, costs (including reasonable attorneys' fees), expenses, liens or actions (collectively, "Claims") incurred by or asserted against an Indemnified Party, in any manner arising out of or relating to Purchaser's performance or failure to perform its obligations, Purchaser's breach of any of the representations, certifications or covenants contained in these Hydranautics Terms and Conditions of Sale, including without limitation, claims relating to death, personal injury, or damage to property.
