

# PRESS RELEASE JULY 2018

INDUSTRY EVENT / TRADESHOW

## Hydranautics will be exhibiting at SIWW 2018

Singapore International Water Week (SIWW) is the largest and most extensive global water trade event showcasing the latest state-of-the-art technologies of the entire water value chain.

Hydranautics – A Nitto Group Company, will be exhibiting in the Water Expo at Sands Expo and Convention Centre, Marina Bay Sands, Singapore from July 9 - 11, 2018.

Visit us at **Booth no. B2-U02** to discuss the possibility of leveraging our product solutions and innovations in membrane technology to bring your vision closer to reality.

For more information on Hydranautics, please call us on 1-800-CPA-PURE, visit [membranes.com](http://membranes.com) or send an e-mail to [laurine.lim@nitto.com](mailto:laurine.lim@nitto.com)

### About Hydranautics

Hydranautics is a part of the Nitto Group and one of the global leaders in the field of Integrated Membrane Solutions. Hydranautics offers complete membrane solutions like Reverse Osmosis, Nanofiltration, Ultrafiltration, and Microfiltration for Water, Wastewater and Process treatment and applications. Hydranautics membrane based solutions are currently in use on seven continents throughout the world for diverse applications such as Seawater Desalination, Industrial High-Purity Water, Surface Water Treatment, Waste Water Treatment, Specialty Process Applications etc. Our Global Membrane Division is headquartered in Oceanside, CA, USA and we have 3 state-of-the-art manufacturing sites located in Oceanside – USA, Shiga – Japan and Shanghai – China. For further information on Hydranautics kindly visit our website [www.membranes.com](http://www.membranes.com)

### About Nitto

Nitto is Japan's leading diversified materials manufacturer. Founded in 1918, Nitto's strength is the ability to add diverse functionality to sheets, films and other materials using core technologies such as polymer synthesis, adhesion and coating technologies. The group offers over 13,000 high value specialty products worldwide including optical films for liquid crystal displays, automotive materials, reverse osmosis membranes for desalination and transdermal drug delivery patches. For further information on Nitto kindly visit our website [www.nitto.com](http://www.nitto.com)
