

# PRESS RELEASE

## JULY 2018

NEW TEAM MEMBER

### Renato Ramos named Hydranautics' Sales Director for Latin America

Hydranautics has appointed Renato Ramos as the Sales Director for Latin America. He is responsible for leading our sales growth strategy in the region (Mexico, Central America, and South America).

Renato joins Hydranautics from Dow Water & Process Solutions where he was the Commercial Leader of the water business unit. Renato has extensive background in the water industry and held various commercial and technical roles with Dow Water & Process Solutions and SUEZ.

He is active on many industry associations such as IDA, World Water Forum, and ALADyR. Renato Ramos is based out of Nitto Denko Latin America's office in São Paulo, Brazil and may be contacted at [renato.ramos@nitto.com](mailto:renato.ramos@nitto.com)

#### About Hydranautics

Hydranautics is a part of the Nitto Group and one of the global leaders in the field of Integrated Membrane Solutions. Hydranautics offers complete membrane solutions like Reverse Osmosis, Nanofiltration, Ultrafiltration, and Microfiltration for Water, Wastewater and Process treatment and applications. Hydranautics membrane based solutions are currently in use on seven continents throughout the world for diverse applications such as Seawater Desalination, Industrial High-Purity Water, Surface Water Treatment, Waste Water Treatment, Specialty Process Applications etc. Our Global Membrane Division is headquartered in Oceanside, CA, USA and we have 3 state-of-the-art manufacturing sites located in Oceanside – USA, Shiga – Japan and Shanghai – China. For further information on Hydranautics kindly visit our website [www.membranes.com](http://www.membranes.com)

#### About Nitto

Nitto is Japan's leading diversified materials manufacturer. Founded in 1918, Nitto's strength is the ability to add diverse functionality to sheets, films and other materials using core technologies such as polymer synthesis, adhesion and coating technologies. The group offers over 13,000 high value specialty products worldwide including optical films for liquid crystal displays, automotive materials, reverse osmosis membranes for desalination and transdermal drug delivery patches. For further information on Nitto kindly visit our website [www.nitto.com](http://www.nitto.com)
