

Bedok, Singapore

## We Make Life Better

Nitto Denko/Hydranautics is the leading membrane element supplier for wastewater reclamation facilities around the world. Our elements have been chosen by numerous large scale plants to reclaim, recycle and reuse wastewater for municipal and industrial applications. Plants include:

- **Bedok, Singapore 32,000 m<sup>3</sup>/day - LFC1**
- **Kranji, Singapore 40,000 m<sup>3</sup>/d - LFC1**
- **Ulu Pandan, Singapore 170,000 m<sup>3</sup>/d - ESPA2+**
- **West Basin Wastewater Treatment Plants, California 50,000 m<sup>3</sup>/d - ESPA2**
- **Orange County Water District, California 270,000 m<sup>3</sup>/d - ESPA2**

Nitto Denko/Hydranautics holds **3 times more patents** in membrane/interfacial surface coating than any other membrane manufacturer. Our proven technologies provide the trusted barrier needed for wastewater purification.

***Membranes are our business, meeting customer needs is our first concern, and leading the industry in film technology is our primary focus.***
