

Pure Innovation. Pure Performance. Pure Water.

Hydranautics' SanRO and SanRO-HS (Heat Sanitizable) elements play a critical role in the crafting of pharmaceutical products - ensuring that the purest water is available to pharmaceutical manufacturers.

SanRO & SanRO-HS offer:

- Factory heat set elements - *Allowing systems to start up at stable performance conditions.*

- Advanced membrane chemistry providing - *Highest quality water at low energy.*

- 100% wet test of every element - *Ensuring each product achieves exact specifications while improving the operation of downstream processes.*

Membranes are our business, meeting customer needs is our first concern, and leading the industry in film technology is our primary focus.

**Innovations. Flexible Solutions.
Real Relationships. Global Responsibility.
Unwavering Integrity.**
