Nitto Denko/Hydranautics Welcomes New Team Members

Oceanside, California – Nitto Denko/Hydranautics is pleased to introduce new members of its Sales division, Mr. Brian Smeeton and Mr. Gil Turner.

Brian Smeeton has come aboard in the capacity of General Sales Manager, Middle East Region. Having spent 10 years living and working in Jeddah and other areas of the region in the water treatment arena, he is well-known there. Dr. Bhasker Davé, Vice President of Sales & Marketing for Hydranautics states, "I am pleased Brian has joined our team. He brings a wealth of knowledge, particularly in desalination and RO. He is a strong addition to Hydranautics global sales efforts, and an asset to our business partners and customers in this part of the world."

Gil Turner is Hydranautics' Account Executive in the Gulf Region of the United States. Rocco Cuozzo, Director of Sales for North America, confirmed Gil's association with Hydranautics and says, "Hydranautics is pleased Gil has joined our team. His 35 year involvement with membrane treatment has allowed him to build an excellent reputation and solid credibility in our industry. His experience, energy and enthusiasm for his work are a great benefit to Hydranautics and all those with whom we collaborate."

Says Dr. Bhasker Davé, Hydranautics' Vice President of Sales & Marketing, "The addition of these two experienced business managers allows Hydranautics to focus on our customers' needs as we continue to grow and expand in the market place."
